JULY 20, 2017

- **Program: 'How to Prepare your Garden as a Natural Habitat with Native Plants'** Presented by Alan Pollack, backyard naturalist and member of San Fernando Valley Audubon Society.
To allow our speaker more time, we will have a short business meeting. No show and Tell. If your planning on bringing any items for the raffle table, silent auction and/or refreshments, please give yourself enough time to set up. Thanks for your cooperation.
- **Dessert #1:** Helen West
- **Dessert #2:** Connie Weir
- **Drinks:** Luis Pineda

Reminders:

- **Opportunity Table:** Donate nice items that everyone will want!
- Bring can goods for BTAC (Burbank Temporary Aid Center) to be collected at the meeting.

At our June meeting we judged our 2016 Project plant Ma's Midnight Spell. We also judged Ma's Artic Sky, which was started from a leaf. Below is a picture of the winners and their plants. Beth Thorpe(left) won first and second place. Ruth Beck(center) won third and Susan Eyraud(right) won fourth. Congratulations!
